

Babel-Two Rising

Why the three abandonments of God!

Fred R. Coulter—October 5, 2024

How much more can we take?

Now, there are some self-righteous people that every time that something happens and there are disasters, we have this flood that went on all this past week and recovering from that.

It's very interesting that now they find out that all of the money that was to be used for hurricane emergencies have been spent on the illegal immigrants living in hotels, buying food, using up all of our money and showing that this is a deliberate act on their own.

Why would God allow that? *Well, because He looks at the whole overall picture!* There are various degrees of people who believe in God, don't believe in God, various degrees of those who think they love God and so forth. So, we have the same situation here.

We know that *God judges because of sin* and different things happen. But also we know from the book of Ecclesiastes that time and chance happens to all. The fulfilling of prophecy is not time and chance, but how it falls on different individuals is in many cases time and chance.

Let's see what Jesus said concerning such a thing. Because the ones who are not affected, many of them look upon it and say, 'Oh well, they deserved it.' Well, you don't know whether they deserved it or not. You take everyone affected by this hurricane, you can't say that they deserved it.

God wants also to know when something happens like this: What are you going to do? One of the commandments that ***God expects everyone to keep, whether they're converted or not,*** is 'love your neighbor as yourself.'

When these disasters come up this way, what are you going to do to help? I think that we are seeing a great response in helping all those people in North Carolina, Tennessee, South Carolina, Georgia, and North Florida, because many of them have lost everything.

Yet, we have a government so sinful—so bent on following Satan the devil—that they only have \$750 to give to those who are afflicted and have spent all of the money on the migrants.

Let's look at Luke 13 and see what Jesus says about these circumstances that come along and what we need to do. I think that there's, hopefully, enough love of neighbor that God will hold back His heavy hand of judgment.

We don't know what's going to happen as we go down the line, but we need to remember this:

Luke 13:1: "Now, at the same time, *there* were present some who were telling Him [Jesus] about the Galileans, whose blood Pilate had mingled with their sacrifices. And Jesus answered *and* said to them, **'Do you suppose that these Galileans were sinners above all Galileans, because they suffered such things?'**" (vs 1-2).

Think about it! If we sit in our warm living room, watching this live stream, and we don't have mercy and compassion upon those who have been afflicted, or have the judgment that they deserve it....

What is the wages of sin? *Death!* That's for everyone who sins, so don't look upon those who suffer these things in that way, that it's because they have sinned. No one knows their lives except God. So He says this:

Verse 3: "No, I tell you; but if you do not repent... [that is come to God *His* way] ...you shall all likewise perish."

That probably happened when Jerusalem was destroyed in 70_{A.D.}

Verse 4: "Or those eighteen on whom the tower in Siloam fell, and killed them, do you suppose that these were debtors above all men who dwelt in Jerusalem?" **No!**

It's a difficult proposition. Time and chance happens to everyone. So, let's hope that there is enough of neighborly love that God will hold His heavy hand of continued judgment upon us.

We don't know if it will be, but He says that we should not have that kind of attitude because that is not right.

Amos had a pretty heavy, *heavy, heavy* message of repentance and condemnation of sin. We come to a point here that's very interesting indeed in Amos 7; how Amos pleaded with God, and let's see what God did. So, maybe we should include this in our prayers when we look at all that's going on, even with the immigrants and even with disasters that are happening.

Amos 7:1: "The Lord GOD made me see this: And behold, He is forming locusts at the beginning of the growth of the late grass—even behold, the late grass after the king's mowings. And it came to pass that when they had made an end of eating the tender plant of the land, then I said, 'O

Lord GOD, forgive, I pray You. How can Jacob stand? For he *is* small” (vs 1-2).

Remember what it says in Isa. 1? Isaiah says, ‘Come together, let us reason; though your sins be as scarlet, they’ll be as white as snow.’ *There’s forgiveness!* Look what God did because of what Amos prayed.

Verse 3: “The LORD repented for this; ‘It shall not be,’ says the LORD. The Lord GOD made me see this: And behold, the Lord GOD was calling to contend by fire. And it consumed the great deep, and *it was* devouring part of it” (vs 3-4).

He was seeing what was going to happen before it took place. Now notice again, what did Amos do? *This is what we need to do when these things come along!*

We see prophecies being fulfilled. Yes, they’re going to be terrible, but we don’t need to come with an attitude of condemnation, that they deserve that and even more. Notice what Amos was able to do.

Verse 5: “Then I said, ‘O Lord GOD, I pray You, cease. How can Jacob stand? For he *is* small.’ The LORD repented for this; ‘This also shall not be,’ says the Lord GOD” (vs 5-6).

Now, that’s quite a thing! Think of that! See, He did it twice; now let’s see the third time. Lots of times we get the attitude or the opinion that comes along, ‘Well, they’re all sinners. They’re all condemned. They all need it and God’s judgment is worthy to come upon them.’

- Would you like to be in the middle of it?
- Would you like to be in the middle of that hurricane down there?
- Would you like to live in New York City where the immigrants are taking over

or

- Chicago where there’s going to be bloodshed this summer between the immigrants and the and the black community?

It’s already laid out that it’s going to happen; it’s going to be terrible. What are we going to say? *Oh, they deserve it! God, go get them! **NO!*** We need to take the attitude of Amos:

Verse 7: “He made me see this: And behold, the LORD was standing upon a wall made by a plumb line, with a plumb line in His hand. And the LORD said to me, ‘Amos, what do you see?’ And I said, ‘A plumb line.’ Then the LORD said, ‘Behold, I will set a plumb line in the midst of My people Israel. I will not again pass by them anymore. And the high places of Isaac shall be desolate, and the Holy places of Israel shall be laid waste; and I will rise up against the house of Jeroboam with the

sword” (vs 7-9).

Then the elders of the community came to Amos and said, ‘Why are you saying all of these things against us?’

Amos said, ‘Look, I’m not a prophet. I was shepherding sheep and God told me, go speak the words that I will give you.’ (paraphrased).

Psa. 78—I want you to read the whole Psalm so that you will understand it all the way through. Think about this: Remember when Aaron made the golden calf, and Moses came down with the Ten Commandments in his hand. Moses had been up there 40 days and 40 nights. Aaron made a golden calf and made a great feast and said, it’s a feast unto the Lord.

God said to Moses, ‘Stand aside. Let me exterminate the whole thing of the children of Israel, because they have sinned. But Moses said, ‘O Lord God, blot out my name from the Book of Life, but don’t destroy the children of Israel.’

So, God held back His hand from destroying Aaron who was responsible for it because of Moses’ pleadings.

Then God executed judgment against only those who were directly involved in that rebellion and setting up the golden calf.

Psalm 78:27: “And He also rained flesh upon them like dust, and winged birds like the sand of the sea; and He let them fall in the midst of their camp, all around their tents. So, they ate and were filled to the full, for He gave them that which they craved. They were not turned away from their lust, but while their food was still in their mouths, the wrath of God came upon them and killed the strongest of them, and struck down the chosen men of Israel” (vs 27-31). *Again, selective punishment!*

Verse 32: “For all this they still sinned and did not believe in His wonderful works. Therefore, He ended their days in vanity and their years in terror. When He slew them...” (vs 32-34).

Now, that’s what we’re up against right now. A lot of death, a lot of rape, a lot of different things coming along. A lot of people are wondering what is happening.

Verse 34: “When He slew them, then they sought Him; and they turned back and sought after God earnestly.”

Now, this is what’s happening right now today with the different things going on in America.

Verse 35: “And they remembered that God was their Rock, and the Most High God was their Redeemer. Nevertheless, they flattered Him with their mouths...” (vs 35-36). *They didn’t come back*

to God all the way that they should!

“...and they lied to Him with their tongues, for their heart was not steadfast with Him; neither were they faithful in His Covenant. But He, *being* full of compassion, forgave their iniquity and did not destroy them; yea, many times He turned His anger away and did not stir up all His wrath, for He remembered that they were but flesh, a wind that passes away and does not come again. How often did they provoke Him...” (vs 36-40).

So this is the story that we’re looking at right now today. We need to pray for all of those involved in helping, since the government can’t help them, many, many different ones from different states and different people, the government wouldn’t supply one helicopter and the neighbors supplied over a hundred helicopters to help get things sent to help them.

So when you look at all of that damage that is going on there, you look at the other things with the immigrants going on there, we need to pray that God will hold back His hand, give us a space of repentance, give us a time to assess things the way that we need to, ***and not have a heart of condemnation because they suffer these things!***

Babel-Two Rising

What do I mean by that? *We will see that while God is busy preparing his people for the resurrection, Satan is busy preparing for his final kingdom, which will be Babel-Two, and it is rising!*

Gen. 10—let’s see the first Babel that started, and then we’ll look at Gen. 11.

Gen. 10, and we will see how soon after the Flood that things began to get out of hand. As we project forward, remember that Christ told us that *as it was in the days of Noah, so shall it be in the days of the coming of the Son of Man! And that the thoughts of everyone is only evil all of the time!* Well, it didn’t take long for that to begin to happen after the Flood, so let’s read it here:

Genesis 10:8: “And Cush begat Nimrod. He [Nimrod] began to be a mighty one in the earth. He was a mighty hunter against the LORD. Therefore, it is said, ‘Like Nimrod—the mighty hunter against the LORD.’ **And the beginning of his kingdom was Babel...**” (vs 8-10). *Then it lists all the other cities that he also started.*

Let’s see what they were doing, because people, when they gather together and think that in numbers they can accomplish what they want to accomplish, they could do what they want to do, and I’m going to read to you from a special report concerning what they are doing in building Babel-Two

Genesis 11:1: “And the whole earth was of one language and one speech.”

We’re close to that right now with the English language.

Verse 2: “And it came to pass, as they traveled from the east, they found a plain in the land of Shinar. And they settled there. And they said to one another, ‘Come, let us make bricks and burn them thoroughly.’ And they had brick for stone, and they had asphalt for mortar” (vs 2-3).

Now *Josephus* records that they had this bitumen or asphalt, which they would make the tower that they’re going to build waterproof just in case God flooded the world again. Well, He promised He wouldn’t do it, but nevertheless that’s what they figured. You will see any study of ancient Babylon that they used this bitumen to make things waterproof: boats and so forth.

Verse 4: “And they said, ‘Come, let us build us a city and a tower, *with* its top reaching into the heavens....”

- What do we have today? *Same thing!*
- How far into space are we going to go? *Well, the truth is men are not going to go very far!*

It’s all they can do to get to the moon and get to the International Space Station, but that’s about it.

“...And let us establish a name for ourselves, lest we be scattered upon the face of the whole earth” (v 4).

Because they knew God was going to put each one of them in the inheritance that He designated for each one, as we find in Acts 17.

Verse 5: “And the LORD came down to see the city and the tower, which the children of men had built. And the LORD said, ‘Behold, the people *are* one and they all have one language. And this *is only the beginning of* what they will do—now **nothing, which they have imagined to do, will be restrained from them**” (vs 5-6).

He has the history of before the Flood to see at the same time. So, this is exactly where we are today.

- look at what we are imagining to do
- look at the increase of knowledge
- look at A.I.
- look at all of the computer things that we have
- look at the things that they’re designing to go into space
- look at the things that they’re designing for manufacturing and whatever

The intelligence and inventiveness of men has come a long, long way!

Verse 7—*God said*: “Come, let Us go down and there confuse their language, so that they cannot understand one another’s speech.”

Sidebar: There is no such thing as a ‘sacred’ language. Whatever language is, Who made it? *God did!* So, if you get a Bible in your language, you don’t need sacred names that the Jews try and palm off on people. If it’s rightly translated into your language, that’s the sacred Word of God to you.

So then they were scattered!

Now, let’s come to the book of Daniel and see how this is all expanded coming down to our time.

At the time that the children of Israel went off into captivity; the Assyrians took them off in the 700_{SB.C.} Then 604 to 586_{B.C.} the Jews were taken off to Babylon.

In Babylon, the first wave that Nebuchadnezzar took back were the intelligentsia of the Jews, which included Daniel, Shadrach, Meshach, and Abednego. And they were put in with the wise ones of Babylon to learn the language and so forth. It came out that they were smarter than any of them. Then we have something spectacular take place. So, think about this: *God dealt directly with Nebuchadnezzar in a dream*:

- How about Pharaoh and Joseph?
- Did God deal directly with the Pharaoh in a dream; virtually the same thing?

No one could be found to interpret it but Joseph! So, he was put in charge, second in charge of Egypt, under Pharaoh; same thing with Daniel.

When Daniel interpreted the dream for Nebuchadnezzar, he was put in charge of Babylon and Shadrach, Meshach, and Abednego were his assistants, that made it much easier for the Jews in Babylon.

Concerning the dream, Nebuchadnezzar was put in charge of the dream. Nebuchadnezzar made an impossible demand upon the ones who were supposed to interpret dream. He said, ‘You tell me the dream and you tell me the interpretation of the dream.

They said, ‘We can’t do it.’ He says, if you don’t do it, it’s your head. So, they came back and Daniel said, ‘Hold off for a little bit; let’s get together and pray about it.’ *And God revealed it to him!*

Dan. 2:19—we need to start here because at the end time we have Babylon the Great as we covered last week—*Prepare to Meet Your God, In Pease or in Punishment*—and all of this combined together is *Babylon-Two is Rising*.

I’m going to read you some astounding things that are going on that most people don’t even know. But it’s happening.

Daniel 2:19: “Then the secret was revealed to Daniel in a night vision. And Daniel blessed the God of heaven. Daniel answered and said, ‘Blessed be the name of God forever and ever, for wisdom and might are His’” (vs 19-20).

Sidebar in studying the Bible:

- Do you want to be wise?
- Do you want to be able to think correctly?
- Do you want to be able to keep your life from becoming a total disaster because you’re emotionally ruined and upset?

You come to God!

- He gives wisdom
- He gives understanding
- He will help you out of those troubles even on a personal level

Now notice: God is not only in charge of everything and not only does he know when his sparrow falls. He knows what’s going on in the whole world in everything everywhere all of the time.

Verse 21: “And He changes the times and the seasons; He removes kings and sets up kings. He gives wisdom to the wise and knowledge to those who have understanding. **He reveals the deep and secret things**... [that’s what we have in the Bible with the prophecies] ...He knows what *is* in the darkness, and the light dwells with Him. I thank You, and praise You, O God of my fathers, Who has given me wisdom and might, and have now made known to me what we desired of You, for You have made known to us the king’s matter’ (vs 21-23).

Then Daniel came to Arioch and said, take me to the king. So, Arioch took him to the king.

Verse 26 [transcriber’s correction]: “The king answered and said to Daniel, whose name *was* Belteshazzar... [that was his Babylonian name] ...‘Are you able to make known to me the dream which I have seen and its interpretation?’”

Here’s another important thing: the more that we know and understand that everything comes from God, and that when we come to a point that we know certain things to a certain point, let us not pull a Job. That is, **let us not think that we have arrived and now we can start telling God what to do!**

Verse 27: “Daniel answered before the king and said, ‘The secret which the king has demanded

cannot be shown to the king by the wise men, the enchanters, the astrologers or the magicians. But there is a God in heaven Who reveals secrets and makes known to King Nebuchadnezzar what shall be in the latter days....” (vs 27-28)—*from the time from Nebuchadnezzar right on down to the end!*

Then Daniel tells Nebuchadnezzar exactly what he saw. The vision to have the gold and then the silver and the brass and the iron and the iron mixed with clay. And that comes right down to the latter days.

Verse 42—here’s where we are in this great statue starting with Nebuchadnezzar down to our days.

Verse 42: “And *as* the toes of the feet *were* part of iron and part of clay, *so* the kingdom shall be partly strong and partly broken.” *That’s how this coming Babel-Two is going to come!*

Verse 43: “And whereas you saw iron mixed with miry clay, they shall mix themselves with the seed of men. But they shall not cling to one another, even as iron does not combine with clay. And in the days of these kings...”

“...the God of heaven shall set up a Kingdom, which shall never be destroyed. And the Kingdom shall not be left to other people...” (vs 43-44).

That’s why we keep the Feast of Tabernacles because the Feast of Tabernacles tells us about this Kingdom that God is going to set up. *So, that’s quite a thing!*

- Dan. 7—we find the same thing coming down to the last day
- Dan. 8—comes down to the last day
- Dan. 11—comes down to the last day
- Dan. 12—comes down to the last day

Now we know two things for sure:

1. Satan is deceiving the whole world
2. Satan controls it

- ***IF*** he deceives you, ***he’s controlling you*** even if *he’s not right there doing it personally*
- ***IF*** you’re following the dictates of what he wants, ***he is controlling you***

Here’s a very important thing to remember, which will be a whole sermon in itself; there are two good and evil interpretations”

1. **God’s**
 - What’s good?
 - What’s evil?
 - What’s right?
 - What’s wrong?
 - What’s sinful?

- What is righteousness?

2. **Satan’s good and evil is the exact opposite**

- that which is evil is good
- that which is good is evil

That’s what we see coming upon us today!

Revelation 13:1: “And I stood on the sand of the sea...”

It has all the aspects that it talks about in the book of Daniel, all contained right there in v 2 about the beast that he saw.

“...having seven heads and ten horns...” (v 1)—*10 toes—10 kings! There are seven heads with that!* That’s Satan’s system. It’s *rising up out of the sea* as John has said; He saw it. That means it is coming.

- What are they going to do?
- How is it going to be done?

Go online and look up *UN Assembly 2030*. They have plans to institute a world government; that will be the government that is here

Revelation 2: “And the beast that I saw was like a leopard, and his feet like *the feet* of a bear, and his mouth like *the* mouth of a lion; and the dragon gave him his power, and his throne and great authority.”

Comes from Satan the devil; that which he says is good is evil.

Verse 3: “And I saw one of his heads as *if it were* slain to death, but his deadly wound was healed; and **the whole earth** was amazed and followed the beast.” *A whole world system!*

Seven heads, ten horns! We have that repeated again in Rev. 17.

Verse 4: “And **they worship the dragon...**”

We know that the other beast is the papacy and bringing all religions together. Because in order to make this have any kind of sticking power, they have got to have an authorized religion. They worship the beast saying who is like the beast. Now, there are some today who say that King Charles III of England is the Beast Power or antichrist! ***No, he’s not. No!***

- Is he dynamic? ***No!***
- Does he draw a lot of attention? ***No!***
- Do people follow after him and fawn him? ***No!***

When the Beast Power comes, he’s going to be magnificent!

And it says here: “...‘Who is like the beast? Who has the power to make war against him?’” (v

4).

So, there will come a time of a temporary peace. We don't know exactly how that comes, which tells us we have a considerable length of time as things develop; but we need to keep alert as we see them developing.

Verse 5: "And a mouth speaking great things and blasphemies was given to him; and authority was given to him to continue *for forty-two months*"—*that is after the deadly wound is healed!*

Let's see how it is rising. I have in my hand a complete report on many organizations in the world who are calling for a world government via the UN.

A World-Called to Action Roundtable on the Human Future

Online, July 2024
{<https://www.clubofrome.org/wp-content/uploads/2024/08/Roundtable-Final-Report.pdf>}

Now you don't hear this on the news, but it's going on. You can see it includes the whole world in two of its emblems there.

A World-Called to Action on the multiple crises now unfolding humanity.

As I have mentioned *crises* in Greek means *judgment*; we have many crises everywhere.

Now then, let me just read you some of the participating organizations and world 'thought' leaders. Of course, that includes:

- Klaus Schwab of the World Economic Forum
- the UN

Now you have all of this, and there are over 25 organizations listed, I'll just read a few here.

- Global Challenges Foundation
- Global Engineering Alliance
- Global Governments Forum
- Global Restoration Collaboration
- Global Youth Security Council
- Millennials Alliance for Humanity
- Natural Capitalism Solution
- Revolution in the 21st Century
- Transition Earth
- World Academy of Arts and Sciences

hosted by:

- The Club of Rome
- The Council of Human Future

Have you ever heard of that? *You don't hear of any of this in the news, but it's going on!* They are

planning. They are looking at the things that we see today.

They see the things exactly as Jesus forecast that they would be. That is, as Jesus said, *it would be as in the days of Noah!*

Now, here we have all the crises that are taking place.

The Human Predicament

- Did Jesus say there would be wars and rumors of wars?
- Did He say there would be plagues and famines and different things?
- *Yes, all of these!*

So, they're thinking about all of this.

Humanity is facing its greatest emergency, a crisis consisting of many, interlinked, catastrophic risks.

What's the famous saying of the Democrats? *Never waste a crisis!* That has to also be Satan's motto, as well.

The crisis is already here, and will get worse. Its combined scale and impact are so great that few grasp it. Together, these risks endanger our ability to maintain a civilization, possibly even to survive as a species. Global solutions are now urgent. To act later will be too late.

That's why God is going to bring the Kingdom of God when he is ready!

The crisis is vast, complex and interconnected. It will affect everyone on Earth, for generations to come....

That's what it would be if God wouldn't intervene!

...There is at present no plan of action to resolve it, nor even a concerted effort to develop one.

*So what they are doing, they are saying, **we are developing this!***

Dimensions of the human predicament highlighted by leading international organizations who took part in the Roundtable on the Human Future on July 27/28 include:

Here's some of the things that they are saying. And these are true. But has man ever been able to take care of his own problems? *Well, maybe for a while!* But what happens? *Satan is still there and comes back around in a different form!*

Let's read the first one, and think about what's in the news today. Think about:

- what's happened with the floods that we've had in America
- the Ukraine War
- the war in the Middle East right now between the Jews and the Hezbollah, Hamas and Iran

Those things have got to be settled in order for the temple to be built. But those things are going on.

- Do we have famine? *Yes!*
- Do we have plague? *Yes!*

So, it says here, let me read just some of them.

Humanity faces multiple global catastrophic risks, now arriving together. These pose a mounting security threat to all nations and to every person.

True! Just like Jesus said (Matt. 24, Luke 21, Mark 13).

Global risks call for global solutions.

How are you going to do that? *Because everyone has to submit to this rising Babel-Two!*

There is currently no World Plan of Action for dealing with all these risks, or even agreement to form one.

So now they're calling for it!

There is a universal failure of leadership and governance to address the global problems we face. The current system of international cooperation is clearly not fit to meet the unprecedented challenges humanity confronts. Stronger international governance is becoming essential.

So, this shows how it's going to come.

This "polycrisis" is an interconnected web of challenges including climate change, biodiversity loss, global poisoning, food insecurity, resource depletion, retreat from democracy, nuclear proliferation, spread of war, uncontrolled use of AI, misinformation, economic social and gender inequality, rising inequity, failing healthcare systems and geopolitical instability. These spell greater insecurity for all.

Now there is a whole lot more I could read about it. Let me read just a couple more things from this because they think that they all get together, 'we get the best minds together, and we're going to solve the problem.' Well we'll see if that'll work or not.

It concluded that fresh hope, positivity, well-being and inspiration are all to be gained from working together to restore our world.

*In this whole document, **not one word about God!***

They're going to present their solutions and everybody's going to have to submit. It gives a little more of the report. Let's see if they can do it.

- Has any plan of man yet succeeded in bringing true peace, true prosperity, and service to people?
- Is there any nation? *No!*

Once in a while you get it for a few years. Let's see what's going to happen.

They think if they get all of the smartest minds in the world together that they will be able to come up with a solution that will work, that we can save mankind, that we can get along with each other.

But the problem is they don't realize that Satan is the one who is moving all of this along. They don't realize that this is what God has prophesied for thousands of years.

Could they know God if they would seek God ***His way***? *They could!* Even if it were just in the letter of the Law, that would be enough to bring a relatively prosperous society, not counting salvation. This is not counting salvation unto eternal life.

That's what God is working behind the scenes right now in every one of us! We are being prepared to take over the world when Christ returns, ***to rule the world!*** That's what it's all about. Here are the stakes that have been laid out that men think, again, without God, we can make it, if we just cooperate.

Why hasn't it worked in the past? *Rom. 1 tells us!* Here's what they need to study if they want to do any real good. But they won't do it because Satan has divided down the whole world into various religions. *And:*

- they hate each other
- they fight each other

That's what's going on in the Middle East right now!

Romans 1:16: "For I am not ashamed of the Gospel of Christ because it is *the* power of God unto salvation to everyone who believes—both to *the* Jew first, and to *the* Greek."

God is not holding back from anyone. How many Bibles has he produced in the world so that

- they could read it?
- they could know it?
- they could understand it in their own language?

Now then, if you want to know the right way, Paul is telling us. That's why we need to pray

that God is going to open the doors so that all the Churches of God everywhere can preach the Gospel as a warning message to the world.

We're right down to the time where all of this is going to take place. We're not out now in a situation that we're going to get salvation just for ourselves. *No! We've got to be educated so that we can take over the world, but we have to warn the world of what is going to come!*

This Babylon-Two Rising is going to be destroyed, as we find in the book of Revelation, when Christ returns.

If they want to know about God, v 17: "For therein... [the Gospel, the Word of God] ...the righteousness of God is revealed from faith unto faith..."

You must believe God, and then God will give you His faith—*both!*

- you have faith to do in the letter of the Law
- you have faith to do in the Spirit of the Law

One leads to a longer physical life; the other leads to eternal life, faith-to-faith!

"...according as it is written: **The just shall live by faith.**" (v 17). *That faith is first belief in the true God!*

But they don't want to believe in the true God. That's what this document here tells us. They want to work it out themselves, and bring all the groups together, and you all agree together.

It says there in Rev. 17 that God is going to give them a heart to all who believe it. So, it will happen! Notice what it's going to bring:

Verse 18: "Indeed, *the* wrath of God is revealed from heaven upon all ungodliness and unrighteousness of men who suppress the Truth in unrighteousness." ***How do they do that?***

- we don't need the Bible
- that's just for the Jews
- that's just for the Catholics
- that's just for the Protestants
- that's just for the Muslims
- that's just for the Hindus

All wrong!

Only those who have the Spirit of God and are in a true Church of God will be able to understand! When it comes down to the end, we have got to have the faith to whether we live or not. Because it's going to come down to a time of total evil, and the only good will be those who have the Spirit of God. The prophecy in Rev. 6, there will be

a martyrdom of the saints! Why? *Because Satan will make a war against us!*

They will know where we are, and who we are! They'll have the means to track us all down. Now notice, they hold it back. They don't say, oh well, we're all here together. Now, you all have a Bible right there. Now, let's open it up and here's where we begin. *No!*

They have all their experts, all their wise men!

Verse 19: "Because that which may be known of God is manifest among them, for God has manifested *it* to them." *They could know!*

Verse 20: "For the invisible things of Him are perceived from *the* creation of *the* world, being understood by the things that were made—both His eternal power and Godhead—so that they are without excuse."

Especially today, there's no excuse! You look at the intricacies of how things are made and it's totally stunning. It is absolutely amazing!

Verse 21: "Because when they knew God..."

Now right after the Flood, they knew God, but in what, three generations, here comes Nimrod.

"...they glorified *Him* not as God, neither were thankful; but they became vain in their own reasonings, and their foolish hearts were darkened" (v 21).

Here's the vanity of their own reasonings right here in this report, and there are probably thousands of other pages that actually are the backbone of everything that they want to do.

Verse 22: "While professing themselves to be *the* wise ones. they became fools."

That's what they're doing. They're saying, we're going to solve the problems. We understand the crises. We look at what is happening. Here's the solution!

Verse 23: "And changed the glory of the incorruptible God into *the* likeness of an image of corruptible man, and of birds, and four-footed creatures, and creeping things"—*different religions!*

What did the pope just say recently, paving the way for what is coming? *All religions are a path to God!*

How can that be? ***It's not! There's one way!*** Here's what happens: Whenever you leave God out, you bring upon yourself problems and difficulties. They come in many different ways, and many different things take place, and people don't know:

- why they're here
- what they're doing
- what they need to do

Now we're confronted with all of the sin, all of the drugs and all of the things that we have in this society today.

That's because God abandoned them. Now we will see there are three abandonments, and you don't want to suffer the three abandonments because if you do, you're in terrible shape.

Verse 24: "For this cause, ¹**God also abandoned them to uncleanness** through the lusts of their hearts, to disgrace their own bodies between themselves."

Two trees:

1. one of Satan
2. one of God

That's why you go through the book of Proverbs, right and wrong, good and evil. That tells you on a very simple introductory basis, okay, and it gets down to sexual perversion. *Always does!* What's the headline today concerning sexual perversions? *His name is Diddy!* And they now know he was worse than Epstein, and that there were literally thousands of Hollywood that is owned, body and soul by Satan the devil participating in them.

Verse 25: "Who exchanged the Truth of God for the lie." *The lie is we can do anything we want to:*

- we are strong
- we are prosperous
- we are right
- we deserve it
- we will make it happen

*No, you won't make anything happen **unless you do it God's way!***

"...and they worshiped and served the created thing more than the One Who is Creator, Who is blessed into the ages. Amen" (v 25).

That's what happened, you know, just like some of us right here, some of the people you know. You try and talk to them about God and they look upon you as an idiot.

They look upon you, as well; who are you? They'll soon find out because you're going to meet God one of two ways. Either you repent and you're converted and you meet Him as a resurrected son or daughter of God or you reject Him and you follow Satan's way and you're going to meet Him at the edge of the Lake of Fire like the rich man and say, 'Oh, give me a little water.'

Verse 26: "For this cause, ²**God abandoned them to disgraceful passions;** for even their women changed the natural use of *sex* into that which is contrary to nature."

I won't elaborate on that, but that is a tremendous thing that has taken place, and add on top of that abortion. That's what we're suffering the judgment of.

Verse 27: "And in the same manner also the men, having left the natural use of *sex* with the woman, were inflamed in their lustful passions toward one another—men with men shamelessly committing lewd *acts*, and receiving back within themselves a fitting penalty for their error."

What is that fitting penalty? *You can't think correctly, your mind is always on sex* and then the diseases that come with it. they don't tell you all those diseases because they don't want it to get out there and they don't tell you all the work that they do scientifically on these aborted fetuses.

So we're stuck right now here in America, right in between this whole judgment of God, and whether God will hold back his hand with a bit of mercy as Amos pleaded with God: 'O Lord, don't do this too much.

We can pray that so that we can have an opportunity to preach the Gospel. Then it goes on even further. Notice, God is righteous, God is judge, and here's what He will do if there's no repentance:

Verse 28: "And in exact proportion as they did not consent to have God in *their* knowledge..." *No, here it is:*

- we'll solve all of the crises
- we'll solve all of our problems

Not one word about God! Nothing mentioned about the Bible!

Strictly relying on the intelligentsia of the 'wise ones' who then are inspired by Satan the devil! That's what we're looking at.

"...³**God abandoned them to a reprobate mind...**" (v 28). *You can't think what is right and good!*

- you think you can solve the problem
- you think you have a good solution

but you try it for a while and it doesn't work!

If you don't turn to God, there's no way of changing it!

"...to practice *those* things that are immoral" (v 28).

Then it lists all the immorality of everything that's taking place in the world. It lists in the world

today in every single society around the world. So, this Babylon rising #2, is going to be quite a thing indeed.

They have to bring all nations into submission to it. They have to take all of these crises and say, now we've got to do this, we've got to do that, we've got to do the other thing. *That's all of Satan the devil!*

As we look into the prophecies going down, we need to understand this:

1. **there needs to be a temple built in Jerusalem**

However long that will take to end this war, repair Gaza and Hezbollah and all of that, and build a temple, and they have to have it in the right place.

2. **then the thing that kicks off the tribulation is, is that there's war in heaven, Satan is cast down**

He comes down and possesses the beast who has received the deadly wound that is healed.

3. **all-out war at the end begins at that point**

So, this Babylon-Two Rising is going to be a tremendous thing, indeed!

- let's keep our eyes open
- let's keep our Bibles open
- let's pray and study every day
- let's yield to God
- let's understand that everything we have comes from God

There's nothing that we haven't received, but God has given it. That we yield to God so that we can do the things that God wants us to do.
