

Movements Toward Fulfilling Prophecy

Stay alert and watch world events!

Fred R. Coulter—December 13, 2025

Why is the Bible superior to anything that men can do? *Because it comes from the mind of God inspired by His Spirit*, which He used to inspire those to write what He wants that's recorded in the Bible.

God's intelligence is so profound that even the whole Plan of God and the whole Bible can be summarized in Psalms. 1! I want you to think on that. We're going to see that everything else in the Bible that:

- all that God *is doing, has done and will do*
- all that men *have done, are doing and will do*

is all contained in summary in this one Psalm!

You will see, coming later, that we compare it to many other Scriptures in the Bible, which help us understand:

- what God wants
- what we are as human beings
- what God wants us to do

Psalm 1:1: "Blessed is the man... [man of women] ...who does not walk in the counsel of the wicked..."

Can AI using human nature and human reasoning come up with something that does not end in wickedness? **NO!**

"...nor stand in the way of sinners..." (v 1).

That is the way that you live, and we know from other Scriptures that sin is 'a transgression of the Law.' The Law is a great, wonderful and fantastic thing that God has revealed to all human beings so that they can live their lives the way God wants. And also for those who answer the call can be in contact with God.

But using the intelligence that God has given us—and I'm sure Eduardo is going to bring that out—which is because of *the spirit of man* that we all have and having the Holy Spirit of God is the great gift of God for us to understand *His Way!*

Verse 2: "But his delight is in the Law of the LORD; and in His Law does he meditate day and night."

You think about that, that's why having the information and Laws of God, His Word and His Truth...

There's one thing that AI will never ever even come close to, and *that is understanding the love of*

God! This is our latest book: ***The Love of God Surpasses Human Knowledge!***

"...he meditate day and night" (v 2).

Now, they're doing all of these things to try and make life successful, but God has already promised the answer of how to succeed right here:

Verse 3: "And he shall be like a tree planted by the streams of water that brings forth its fruit in its season, and its leaf shall not wither, and all that he does shall prosper."

That's eventually coming to eternal life, the resurrection, entering the Kingdom of God. That's all contained in this summary; this is one of the most important Psalms to have.

Verse 4: "The wicked are not so... [that goes right back to the author of wickedness and sin Satan the devil] ...but they are like chaff, which the wind drives away."

Now we can see this this is a fulfillment a prophetic fulfillment of all of the destruction that comes down through time of human activity. I think one of the most futile occupations of all is to be an archaeologist. It can be interesting in different things, but what do they always find? *They find that everyone died!* All they're doing is seeking out what caused them to die.

Verse 5: "Therefore, the wicked shall not stand in the judgment, nor sinners in the congregation of the righteous."

You can take that one verse and that's a key to understanding the whole Bible, and the whole message of Christ for the New Covenant. Also, a prophecy of the return of Christ, New Jerusalem. It's amazing right here in this one Psalm.

Keep in mind this: ***water, tree, doing God's will!***

Verse 6: "For **the LORD knows the way of the righteous**, but the way of the wicked shall perish."

Now how's all that going to be done? Well, the book of Revelation tells us. I'll leave this to you for your study; examine Psalms 1 very carefully and note:

- tree
- water
- river
- righteousness

- being with God

Then you go read Rev. 22, the last chapter in the Bible. What does it contain? *The details of the summary of Psalms 1!* That's an amazing thing, indeed, isn't it?

What's the book by Charlie Kirk? ***Stop in the Name of God!*** That was announced by his wife Erica. There have been so many requests that you can't even get in line any time before June. That's an amazing thing. Then I got from Jennifer, our office manager in Canada, they're getting all kinds of hits about the Sabbath.

Charlie Kirk was following God and the Sabbath in a way of someone not in the Church of God, that is able to reach millions of other people. That tells you God will use whom every He wants, to do whatever He wants done, ***IE*** that person will love and obey God.

Not that they have all knowledge, but what is the first key to understanding the Bible? *The Sabbath!* So, we have these booklets:

- *Which Day is the True Christian Sabbath?*
- *Sabbath/Sunday Controversy—Rome's Challenge to the Protestants* (by Cardinal Gibbon)

Very interesting indeed, because ***Sunday was never anything that God designed or commanded!*** Cardinal Gibbon even told the truth to all the Protestants. You need this booklet. He said 'Sunday is a Catholic institution, that they decreed it. ***It goes clear back to all the pagan religions that worship the sun!***

Another booklet that we have is:

- *New Testament Scriptural Comparisons* (by Joseph Ackermann)

Now let me show you what satanic and human intelligence has done to the Bible. The word 'begotten' and how important that is, but what scholars and liars have done to interfere with the Bible:

- John 1:14—only begotten
- John 1:18—only begotten
- John 3:16, 18—only begotten

In 22 other modern translations—to show you how important that *The Holy Bible in Its Original Order* is —***they delete the word 'begotten'***

We just reduced this down from that large booklet that we had and it's right around 100 pages. So I'm kind of thinking about finding out what it would be to produce it in a book and send that out with every Bible that we send out, because *it's amazing!*

Guess how many words ***have been deleted by men***—and also some phrases good number of them—***3500 in the New Testament!*** So, this is important! What we need to understand is that:

- what God wants is Truth
- what God wants is love
- what God wants is understanding

which He alone can give!

Great numbers of people never guarantees that Truth will be pure! That's why *the* Church is few in number. Even larger congregations, here we are just a few of us today on the Sabbath. But remember: ***Never be discouraged because you don't know very many other true believers,*** because we all come from the creation of God as Eduardo brought out.

{Note message: *In Our Image #1* by Eduardo Elizondo}

Everything in the rest of the Bible begins in Gen. 12 the next chapter over from where Eduardo left off. After all the population and all the growth that took place after the Flood and the Tower of Babel, how many people followed God? There was probably Seth and Noah, both died. But where did one man get his knowledge?

- one man that God dealt with
- one man that God used to start His whole Plan

From the life of this *one man* down through all the rest of the Bible! What is his name? *Abraham!*

So, never feel that because there aren't a lot of people around who believe like we believe that we're somehow deficient in what we need to know. I'm glad Eduardo is doing that series: *In Our Image!* Just before Eduardo brought his message, Alan had asked AI: Would you lie to me? *The answer was YES!*

What you will find out if you take this Psalm 1 and compare it to other chapters in the Bible, you will see that:

- everything in human life
- everything that God wants us to know
- everything about the Plan of God is contained in His Word

and the greatest summary of it is Psalm 1

Everyone wants to know how much time do we have until Jesus returns? That's been the question ever since the apostles!

What was the last question they asked Jesus before He ascended into heaven? *Lord, will You restore the Kingdom to Israel at this time?* He said,

That's in the Father's authority. You go to Jerusalem and you wait there until you're endued with power.

That is, receiving the Holy Spirit! That's the Holy Spirit that comes from God, which God gives to everyone that truly repents and is baptized.

Now, we're also told to *watch!* We find that in Matt. 24.

- Jesus warned about false prophets
- Jesus warned about what was going to happen

He said:

As it was in the days of Noah, so shall it be in the days of the coming of the Son of Man. **WATCH, because you don't know the day or the hour!**

Many have tried to establish the year, and all the time I've been in the Church of God, we've heard that it goes clear back to the Second World War. And from there, it goes back to the First World War. And from there, it goes back to Napoleon.

Isn't it amazing? *One of the big battles that we're facing today that not even Trump has been able to solve is the Ukraine!* That happened in all of those that I mentioned before. ***All of them tried to conquer Russia, and Russia has tried to conquer Europe!*** Here we are at the stalemate today. So, the question is:

What else is happening that we need to be aware of, which may give us a clue that we have not a long period of time? *I've heard:*

- 50 years
- 200 years

the early apostles couldn't stand

- 2,000 years

Jesus never told them! Why? What happens? *Human nature comes along and says:* 'Oh well, we have plenty of time.' I want you to think about that in your own life just on a daily basis.

- How many times do you put something off and say, I'll do it later? *All the time!*
- How many times do we say, 'I better prepare this because something may happen'? *That's what we need to do!*

Now we're going to cover some prophecies that go clear back to the book of Daniel, then are picked up again in the book of Revelation. That it is something that we are to look to and watch.

Here's an article that also verifies what I have said concerning Donald Trump. even though he's not converted. Neither was Nebuchadnezzar, nor were others that God has used. I've said that God is using him ***to set up things for the end-time!***

So, we can say that Trump did it again. What did he do? *I want you to think about this!* Here's a picture of it: ***Peace in the Middle East.*** Donald Trump is standing out in front of it, and behind him are ***ten*** rulers. Have you ever heard of the number ten?

In *A Faithful Version* 2nd ed, it's pg. 1366; in the 3rd ed. it's pg. 1368. It is a chart of Daniel and Revelation, coupled with other Scriptures that go along with it. They're the flow of historical fulfillment. *Here's what the headline says in an article:*

A Stunning Prophetic Foreshadow?
Trump's Ten-Leader 'Board of Peace'
{https://www.prophecynewswatch.com/article.cf?recent_news_id=9235}

What's one of the main things in the end-time that we're going to hear? *'Peace, peace, and there is no peace.'* So let me read this.

There are moments in history when global events suddenly shift from ordinary news to something that feels weightier—something that brushes close to the patterns described in Scripture.

That will be the building of the temple! We know that has to happen, but it's not going to happen without something else taking place first.

- you can't build a temple if Hamas is bombing everything that you do
- you can't have peace in the Middle East unless the Arab nations agree to it

President Trump is forming a 'Board of Peace' made up of ten international leaders...

We'll look at the #10 in just a little bit, but where does that come up? *We'll look in the book of Revelation and see that it comes up several times!* It's very important for us to be aware of.

...from Arab and Western nations, leaders who will collectively oversee the next phase of governance, security, and reconstruction in Gaza and the broader Middle East peace framework.

So, it is ten seats of a sort of authority; ten leaders! It's amazing what they're going to do. So, this is a new order over the most prophetic central land on earth.

Has there ever been real peace in the Middle East? *Only for a short period of time!* There was part during David's reign. There was when Joshua first took them into the land. *That didn't last long,* did it? It was there in the days of Solomon. But what happens

when you get all the influence, money and pleasures that you need.

He ended up going against God. God said, don't marry an Egyptian. So, that's the first thing he did. God said, don't accumulate numbers of wives to yourself. So he did an even thousand!

But what happened? Because of those sins, especially Solomon, what happened? *It divided the nation in two!* The ten northern tribes went off on their own, later into their own captivity. We know that Judah was conquered. They went off into the Babylonian captivity; they came back, didn't learn the lesson. They had all wars going on all during the time from the time that they got back down to the time of Christ.

So, now we have it here: ten leaders. Here's what the article says:

Ten influencers shaping a new order over the most prophetically central land on earth.

Now, let's come to Dan. 2. We won't go through the whole vision, but it starts up with King Nebuchadnezzar. Where does it end up?

- you have the head of gold
- then you have the silver
- then you have the brass
- then you have the iron
- then you have the iron and clay

Daniel 2:40: "And the fourth kingdom shall be *as* strong as iron, forasmuch as iron breaks in pieces and beats down all things, and as the iron that crushes all these, shall it break in pieces and crush. And whereas you saw the feet and toes, part of potters' clay and part of iron, *the* kingdom shall be divided. But there shall be in it the strength of the iron, because you saw the iron mixed with miry clay. And *as* the toes of the feet *were* part of iron and part of clay, so the kingdom shall be partly strong and partly broken" (vs 40-42).

Now what we're talking about is **a worldwide division of nations!** These ten leaders may be a precursor leading to the actual fulfillment. Because you always have a precursor come first.

Verse 44: "And **in the days of these kings**, the God of heaven shall set up a Kingdom, which shall never be destroyed. And the Kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, **and it shall stand forever.**"

Now it talks about *the feet and the toes* (v 42). and it says **in the days of these kings!** (v 44).

Now what we're looking at with all of these nations. coming together to agree on peace. For what is called Israel, *but should be called Judea!* Now we find this as you look at the chart. We find that there are other places where it's seven and ten.

Let me just continue on in this article here, and then we'll go to the book of Revelation. I'll let you go to the chart in the Bible, pg. 1366 or 1368. Now that has all of them. Because we won't go down through it. We'll just focus in on what we have in the book of Revelation and the book of Daniel.

Dan. 7—he had the vision, and he wrote it down and laid it out, then he said:

Daniel 7:9: "I watched until thrones were set in place, and the Ancient of Days sat..."

That's bringing the Kingdom of God to the earth in the person of Christ. Now it says here.

Verse 13: "I saw visions in the night and, behold, One like the Son of man came with the clouds of heaven, and came to the Ancient of Days, and they brought Him near before Him. And dominion and glory was given to Him, and a kingdom, that all people, nations and languages should serve Him. His dominion is an everlasting dominion, which shall not pass away, and His kingdom that which shall not be destroyed. I, Daniel, was distressed in my spirit in the midst of my body, and the visions of my head alarmed me" (vs 13-15).

Here was the message. It talks about the great kings. Four great kings; four great empires will arise. Then he says, concerning the setting up of the Kingdom of God.

Verse 20: "And of the ten horns that were on his head, and of the other horn which came up, and before whom three fell; even of that horn that had eyes, and a mouth speaking very boastful things..."

Verse 22: "Until the Ancient of Days came... [the King] ...and judgment was given to the saints of the Most High...."

Verse 26: "But the judgment shall sit, and his dominion shall be taken away to be consumed and to be destroyed unto the end. And the kingdom and dominion, and the greatness of the kingdom under the whole heaven, shall be given to the people of the saints of the Most High, Whose kingdom is an everlasting kingdom. **And all kingdoms shall serve and obey Him**" (vs 26-27).

we find:

- Dan. 2—#10
- Dan. 7—#10
- Dan. 9:27—one great leader, 'the man of sin, the son of perdition'

There will be **a false peace** that will come upon the earth.

The first place we see this is Rev. 13; this tells us of Satan's system. Now this system is being set up foretold by God.

Revelation:13:1: "And I [John] stood on the sand of the sea; and I saw a beast rising up out of the sea, having seven heads and ten horns, and on his horns ten crowns, and upon his heads *the* name of blasphemy."

So, we have 7 & 10. Then we have the main body of it:

Verse 3: "And I saw one of his heads as *if it* were slain to death, but his deadly wound was healed; and the whole earth was amazed *and* followed the beast. And they worshiped the dragon... [Satan the devil] ...who gave *his* authority to the beast. And they worshiped the beast, saying, 'Who *is* like the beast? Who has the power to make war against him?'" (vs 3-4).

Then great things happened. Then there comes the one with the false prophet.

Rev. 17 where it explains a little bit more about the ten horns. This is talking about the final world government and it involves 10 kings.

Revelation 18:1^[transcriber's correction]: "And one of the seven angels who had the seven vials came and spoke with me, saying to me, 'Come here; I will show you the judgment of the great whore who sits upon many waters; with whom the kings of the earth have committed fornication, and those who dwell on the earth were made drunk with the wine of her fornication.' Then he carried me [John] away in *the* spirit to a wilderness; and I saw a woman sitting upon a scarlet beast that had seven heads and ten horns, full of names of blasphemy. And the woman..." (vs 1-4).

This is the religious system, and this is what they want to come into the world. **All religions agree to come together!** I still have that book *World Scriptures* that they're going to use from different religions.

Verse 5: "And across her forehead a name was written: MYSTERY, BABYLON THE GREAT, THE MOTHER OF THE HARLOTS AND OF THE ABOMINATIONS OF THE EARTH. And I saw the woman drunk with the blood of the saints, and with the blood of the martyrs of Jesus. And after seeing her, I wondered with great amazement" (vs 5-6).

Verse 7: "Then the angel said to me, 'Why are you amazed? I will tell you the mystery of the woman, and of the beast that carries her, which has the seven heads and the ten horns. *The* beast that you saw was, and is not, but is about to come up out of the

abyss and to go into perdition. And those who dwell on the earth, whose names are not written in the Book of Life from *the* foundation of *the* world, shall be astonished..." (vs 7-8).

Verse 9: "Here is the mind that has wisdom: The seven heads are seven mountains on which the woman sits. And there are seven kings; five are fallen, and one is, *and* the other has not yet come; and when he has come, it is ordained that he remain a little while. And the beast that was, and is not, he is also the eighth, and is from the seven, and goes into perdition. **And the ten horns that you saw are ten kings**, who have not yet received a kingdom, but shall receive authority as kings *for* one hour with the beast. These *all* have one mind, and shall give up their power and authority to the beast. These will make war with the Lamb..." (vs 9-14).

So there we see the ten leaders are very close to what this Board of Peace that Trump has set up. Now here's what they're going to do:

It is a multinational governing body over Israel's security.

So they're going to make peace with Israel. Now, here's how they're going to work it.

1. **This board will externally be the international forces** to exert pressure and oversight over the area of Palestine.
2. **The Board of Peace** is the first real example of multinational authority claiming stewardship over Israel's peace negotiation.

Something that would not have been unthinkable. Decades ago. Now. What happens here. Number three.

3. **The shared authority:** Revelation describes ten kings. Who give their power into a collective structure. While today's leaders are not doing so in a prophetic sense, the mechanism is similar. Nations voluntarily surrendering decision making power to a central unified board.

Arab nations and western powers are agreeing to a collective oversight of Gaza bypassing the Palestinians, and they have no vote concerning it.

The shift towards centralized international power strongly mirrors the kind of system envisioned in the Bible's end-time governance.

4. The emergence of peace architecture before the actual prophecy

That's what it is; it is set up. Now the actual prophecy will have to come along after it's already set up. You can't bring peace unless you do it this way.

These things may not be the fulfillment.
But they do look like the preparation.

Now we don't know if there will be nations that will drop out and replaced with others. But that's an amazing thing that you have ten nations guaranteeing the peace. And apparently those Jews in Palestine today will be subject to it, and we'll see what they have in mind to take care of Gaza.

So, the structure could change a little bit, and it's fragile despite news sources claiming ten leaders of Arab and Western nations are to be appointed to this Board. Until an official announcement is made it could change. It could be nine, it could be eleven. The principle behind it stays the same, but without the actual number ten does it lose some prophetic impact?

We'll see that it'll end up with ten!

The committee could still collapse within months; there's no guarantee. That it will last. In fact, its purpose is to be transitional. So even though the process will likely take years. There is no guarantee that it will be functional as it is in its proposed form for those years to transpire.

How many years will that take? *We don't know!* Here's one thing that is missing: *There is no central antichrist figure!* We know that has to come.

- there's no central ruler
- no global allegiance

Of course, the prophecy demands that there will be both.

A strong leader who will control them all has yet to appear.

So, we don't know what's going to happen. I don't think that's Trump. I don't know who it's going to be. Now they talk about Tony Blair as one of the world leaders. That's possible. We'll get to that in just a minute.

Daniel's prophecy hinges on a specific covenant of seven years. Once that is set up, once they do that, what they want to do is have this Board oversee the rebuilding and remaking of that part of Judea.

- there will be no Hamas
- there will be no Palestinians

But the 10 will control and rebuild Gaza. That will be interesting to see. Here are the things that have to come along with it.

Right now there is no specific treaty that these people have signed that the Jews have agreed to. All of the peace that is proposed is there. Some of these nations have signed the agreement, but Israel has yet to finalize it, because they have never been able to solve the problem of Hamas and Gaza.

So that's going to be the project that they will be working on. Here are some other things that need to take place.

Major Prophetic Pillars That Have Yet To Occur:

1) There is no third temple

Everybody knows that. The Jews have done everything to prepare for the operation of the temple. And it's interesting, when asked: How long will it take to build the temple? *They said about three and a half years!* Sound interesting?

Daniel 9:27: "...And **in the midst of the week...**" That's in the middle of a seven year period, and the ***abomination of desolation*** will take place! We don't know how that will be fulfilled.

- 2) We have yet to see the central global religious authority, which will be headed up by the pope.
- 3) There has to be the Mark of the Beast and the things that will come that.
- 4) There is no—at this time—leader claiming 'Divine authority' over the ten and over a central world government.

So that will take place. They have been trying for that for years.

The ones behind all of this are Jared Kirshner and Steve Witkoff. These individuals bring business, Security, Diplomatic... within the Abraham Accord network. This involvement shows that Trump intends his is not as a symbolic committee, but as a functioning governing structure.

The plan includes forming a new Palestinian technocrat government with twelve to fifteen vetted individuals not affiliated with Hamas or Fatah.

The Palestinians have not yet accepted it. Here are things that need to take place in order for these ten kings coming together on this Board of Peace that are

going to propose the final peace agreement with the Jews, with the Arabs, and then the temple will be built. Here's what they're going to have to do with Hamas:

- they have to disarm
- they have to quit their continued resistance
- they will have to quit their pursuit of the destruction of the Jews

So, here we have the prophetic framework being laid out. This is not actually the fulfilling of the prophecy, but the framework that is being developed right now, which will slide into position when it's time for these prophecies to be fulfilled.

One other thing to add to this right now. Ronnie Jackson, one of the Congressmen from Texas is introducing a bill to remove the United Nations from American soil.

- Where will they go?
- Remember The League of Nations? *Their property is still in Switzerland!*
- Wouldn't it be interesting if the United Nations moves to Switzerland

Then out of that comes the King of the North. So, you see how all of these things are coming together for the fulfilling of these prophecies. You will watch, look and see seven heads and ten horns. Then one dominant leader who will then proclaim himself to be 'God on earth.'

He will go into the temple, that the Jews will build, and say that he is 'God.' That's ***the abomination of desolation!*** When that happens then the Great Tribulation spoken of throughout the New Testament, and right in the book of Revelation, will begin to unfold.

Now let's look at what has to take place first. That will happen! So, keep your eyes peeled for all of the religions of the world to become more publicly. Known, that they're all working for peace, and the pope is going to move in, and he's going to be their religious leader.

Revelation 6:1: "And I [John] looked when the Lamb opened one of the seals... [this is the first one]...and I heard one of the four living creatures say, like the sound of thunder, 'Come and see.' And I looked, and behold, *there was* a white horse; and the one who was sitting on it had a bow, and a crown was given to him; and he went out conquering, and to conquer" (vs 1-2).

This is the development of the one-world religion. I want you to think about this for just a minute to see. how we have precursors of these things taking place.

- How many watched the funeral ceremony of Pope Francis at the Vatican?
- Who was there? *All the leaders of the major nations of the world!*

What does Rev. 17 say? *Had power over the nations!*

They were there, and even the Orthodox. After they got done with all the Catholic ceremonies came and did their ceremony over Pope Francis, as well.

So let's watch this; let's see how the religions will be coming together, and how the pope is going to be the one who will assume control of that. That's the first seal!

That hasn't been completed, but let's look at what it says concerning the second seal. This tells us in just one word a very important thing that's going to happen.

Verse 3: "And when He opened the second seal, I heard the second living creature say, 'Come and see.'" *Now notice what follows that!*

Verse 4: "And another horse went out *that was red*; and ***power was given to the one sitting on it to take peace from the earth...***"

Think about that! This tells us that before the Great Tribulation there will be a time of peace. Think about now of the Peace Board that's being set up; ten nations.

Now we don't know if there will be nations coming and going replacing. But here we have right here, specifically telling us "...to take peace from the earth..."

So, we have to have the False Prophet come. Then we have to have The great world leader come. All the things that we read In this report Are some of the things leading up to it. And never, *never* have we had ten nations specifically appointed to bring peace. to the place in the world ***where there's never any peace!***

So, this will be hailed as a great accomplishment, indeed! How the other prophecies will come together, and who will be involved:

- we don't know if Tony Blair is going to be involved
- we don't know how Germany is going to be involved
- we don't know how Europe is going to be involved
- we don't know if there are going to be some skirmishes of different small wars that these ten nations have to solve

We don't know!

That tells us that we have time. We've got to watch! We've got to see what's going to happen. Be very careful that we don't make a mistake and start proclaiming things that are not so. Like has happened down through the history.

This is a really major thing to understand the **Board of Peace**; ten nations from the Middle East agree to bring peace:

- to Hamas
- to Gaza
- to Palestine
- to the Jews

So there we are!

All of these are precursors for the fulfilling of these prophecies. ***So, let's hope we will stay alert and watch. We'll see what happens, and see if we can get through all of it the way that God wants!***
