

Choose Life!

Don't become enslaved to the way of the world and Satan the devil!

Fred R. Coulter—October 29, 2022

Greetings, everyone! Welcome to Sabbath services! This Sabbath we are going to be covering some vital topics that are happening in the world, in America in particular, and how they got started.

Sometimes you look at things and the questions we need to ask are:

- How did this get started?
- Who started it?

Before we get into it, I want to tell you about a book that I'm reading: *MegaThreats* by Nouriel Roubini. It's very good, and the long and short of it is: debt and weak currencies, and a collision is coming. We all know where that's going to end up in two stages to it:

1. **digital currency**, which will need no backing by gold or silver; you just input it into a computer and it's done
2. **the mark of the beast**, because after a while they will understand that the greatest thievery will begin taking place with digital currency where hackers will hack everybody's accounts

What will be the solution for that? *A mark in your right hand or in your forehead!* Currently in Sweden there are over 4,000 who have already done that. In America they have shown this one man who was allegedly the first one to have it implanted into his right hand, and how he went into the store—no money, no checks, no nothing—and just passed his hand over the device and he could make the transaction.

When that comes, all those who don't receive it will be called *cruel*, because 'don't you want to feed you family, your children and yourself?'

I wonder, since some of the Churches of God believe that *the mark of the beast* is Sunday-keeping, they're now going to be confronted with the reality that *the mark of the beast* is something in your right hand or your forehead, without which you cannot buy or sell. Look at our society today. It's all buying and selling.

The next thing I want to cover is: the reports that there are only 25 days of diesel fuel in storage is true. You need to understand that everything you get at the grocery store, or any other store, is delivered by trucks that use diesel, mostly. I'm sure there are some that use gasoline, and a few like Amazon that use electric trucks.

We have to be alert to all of these things as they come. So, my suggestion is this: You extra of everything so you can have something to eat and drink for a good number of months. If the diesel runs dry and the trains go on strike, you are going to have instant stoppage of delivery ***of food and recourses, and it*** will come suddenly!

Today, I want to cover some things as to why God is doing this. ***He is doing it!*** I'll start by reading the preamble of the Declaration of Independence, which the Supreme Court of the United States should pay grave attention to, because ***freedom is not to do anything you want!***

*If you do anything you want to do **you become enslaved to sin and Satan the devil!*** Those who wrote the Declaration of Independence and the beginning of the Constitution knew this:

Preamble of the Declaration of Independence of the United States:

When in the course of human events, it becomes necessary for one people to dissolve the political bands, which have connected them with another, and to assume among the powers of the earth, the separate and equal station **to which the Laws of Nature and of Nature's God entitle them...**

Think about that for a minute! The Supreme Court could have struck down all of the tolerance to homosexuality, bestiality and all of the things that are plaguing the nation now if they would have read the first paragraph, the introduction, of the Declaration of Independence. They could say that 'we're not bringing in a religion, but the laws of God's nature tells us right and wrong in these basic things.

So, we have come to the point that discrimination means *you can't be against anything, even if it's evil!*

- Where does that come from?
- Who is the first one to promise freedom?
Satan the devil!

You can choose what is right and wrong yourself; make your own decisions. That's quite a thing when you read the first paragraph of the Declaration of Independence.

Gen. 1 tells us right in the beginning.... I do not think that there is any person alive—old or young—who can misunderstand what this is saying.

When you look to the Laws of the God of nature, what do you find? *Male and female!*

Let's see what God said about mankind.

Genesis 1:26: "And God said, 'Let Us make man in Our image, after Our likeness...'" *Think about that! That becomes all important!*

- Who is the one who sets the laws and rules for what He has made? *God!*
- Don't automakers do that when they make a car? *Yes!*
- Don't they do that when you buy something put together at home?

I remember I tried to put a wagon together without reading the instructions, and guess what? *I had to take it apart and redo it because it wasn't right!*

God is the Creator, the Maker! Notice what He gave to all mankind:

"...and let them have dominion over the fish of the sea and over the fowl of heaven and over the livestock and over all the earth and over every creeping thing that crawls upon the earth.' And God created man in His *own* image, in the image of God He created him. **He created them male and female**" (vs 26-27).

There is nothing here about transsexualism. Nothing here about legitimizing homosexuality. We'll get to that later.

- How did all of this suddenly come in the last few months?
- All the drag queen things?
- How did that suddenly come when it was in the background and not in public display as they're doing it now?

They planned it! All of those things go against male and female!

Let's read Gen. 2:7 carefully and understand about human beings subsequent to Adam and Eve.

Genesis 2:7: "Then the LORD God formed man *of the* dust of the ground, and breathed into his nostrils the breath of life; and man became a living being."

God formed him! What did God put in him and later into Eve, Adam's wife? *He made them with genes and chromosomes male and female!* Scientifically today we know that they can go get the bones dug up hundreds or [transcriber's correction] thousands years ago and analyze the bone and they can tell by the analysis that it's male or female. They have never dug up a bi-sexual!

One 'trans' said that 'Jesus was a *trans*,' because He didn't have the Y-chromosome, because men have X & Y and women have XX. He didn't

even have the understanding to read Luke 1 where the Father—called the Highest—impregnated Mary. So, yes, Jesus had the 'Y' gene from His Father! All of the genes came from *GOD!* He created them.

Let's read some other verses here that become very important and help us to understand what we're doing.

- How does God look at human beings?
- How does He do it?
- How do we become human beings?
- Was it with God?
- Was it from God?

or

- Not from God and without God
 - What do you start with? *Male and female!*
 - What is the inheritance that we have in us that we pass on to the next generation when you're married and have children?

The problem is that too many women are not married today and have children, and that also adds to the problems of society. ***That's breaking the Laws of the God of nature, and the natural structure that God created!***

This is what needs to be emphasized against all of the proponents of abortion.

- Are you just getting rid of something that's an inconvenience to the woman?

or

- Is that independent life?
- How did that independent life come to be within her?

They don't ask those questions because the rejected God and removed Him far, far away from their thoughts!

Isaiah 43:1: "But now, thus says the LORD **Who created you, O Jacob...**"

How far down the genetic line is Jacob? *Well, a couple of thousand years from creation!*

"...and **He Who formed you,** O Israel..." (v 1).

That's another name for Jacob, but it's also the name for all the descendants of Jacob who have the name of Israel to them: the 12 tribes!

God says, ***'I formed you!'***

- How did God form them? *Very few people ask that question!*
- Was God down there forming them within the womb by His own hands? *No!*

He put into Adam and Eve the genes that could be passed on to create male and female! Every

human being is formed by what God originally put into Adam and Eve, because the genes come from God! So, He does the forming in the womb!

Verse 7: “*Even everyone who is called by My name; for **I have created him** for My glory...*”

Think about that! Who really understands the glory that God has for human beings? ***God does, and He’s revealed it in His Word!*** But we have to come to God and love Him and keep His commandments, and ***have His Spirit to understand that He is Creator!***

People think that it’s just a natural process that takes place and is an end-result of evolution. *That’s a complete lie and fiction!*

“**..I have formed him; yea, I have made him**” (v 7).

This whole chapter is quite interesting because there are a couple more verses talking about being formed. How important is that? Not only considering conception, birth and childhood, etc. But concerning sex, transgenderism, drag queens and all that that is.

All of sudden we’re confronted with it. We watch the news on television and we’re astonished and think: How did that happen? All of a sudden we begin to realize that there are a great number of people who are that way, and whose thinking is complete aberrant to what are the laws of nature of God of nature.

- Have two women ever conceived and brought forth life? *No!*
- Have two men ever given birth to another human being? *No!*

I was watching part of a hearing on the news and this representative asked one of the witnesses:

- Can a man give birth? *He sat there dumbfounded and couldn’t answer it!*
- Can a man give birth?

This is what they’re thinking in changing the genders. You’re going to see that they’re going try everything medical they can do with surgery and whatever they can do to try and make it so that a man can give birth! Then they will say, ‘See! There’s no such thing as gender difference.’ ***It will be a delusion!***

Verse 21: “This people **that I formed** for Myself; they shall declare My praise.

Eventually they will! But notice that God has made them!

Isaiah 44:1: “Yet, now hear, O Jacob My servant, and Israel whom I have chosen; **thus says**

the LORD...” (vs 1-2). *When it says that, it’s coming direct from God!*

- Is there any higher authority than that as far as human beings are concerned?
- Do men have authority to go ahead and declare that God has no ability to do anything?
- That it all happened by chance?

“**...the LORD Who made you, and formed you from the womb**” (v 2).

Who made the womb? *That’s quite a miraculous thing that happens! One of the most miraculous creations of God is involved with child-growth in the womb called the placenta!*

I witnessed the birth of all our children. After the child is born, the last thing to come out is the placenta and it has a cord, which is connected to the bellybutton of the infant. We all have a bellybutton.

Here’s a good test: if you think that you know more than God, you better find your bellybutton because it tells you that you came from God and He formed you and you came from your mother, and your father was a progenitor of you. All of the things that made you—and every human being—were the genes and chromosomes that God put into Adam and Eve and passed on.

Let’s look at something very interesting in the book of Jeremiah.

Jeremiah 1:1: “The words of Jeremiah the son of Hilkiah, of the priests who *were* in Anathoth in the land of Benjamin.”

Later we find that all the men of Anathoth, the home town of Jeremiah, were planning to kill him because of his warning message that he was giving.

Verse 2: “*To whom the Word of the LORD came in the days of Josiah the son of Amon, king of Judah, in the thirteenth year of his reign. It also came in the days of Jehoiakim the son of Josiah, king of Judah, to the end of the eleventh year of Zedekiah the son of Josiah, king of Judah, to the exiling of Jerusalem in the fifth month. And it came to pass, the Word of the LORD came to me, saying*” (vs 2-4).

This is a time when Jeremiah was old enough. We don’t know how old he was, may have been 15-18, somewhere around there, but he was young, and he had a long mission to accomplish. He didn’t know what it was, and he didn’t know how it work out and at the end of his life he would end up in Ireland with the daughters of King Zedekiah to carry on the king’s lineage and someone sitting on the throne of David. ***The world doesn’t know this***

except a few!

Part of what we're in right now is the prophetic destiny of Ephraim and Manasseh, and God's hand of correction is coming upon us! All of the things that people say will bring about a good economy and situation will not work until they take care of the sexual problem.

God was talking to Jeremiah and he was now old enough to understand:

Verse 5: "Before **I formed you in the belly I knew you...**"

Stop and think about that for just a minute. That had to be at the instant of conception of the one who became Jeremiah. Right at that point God knew! He didn't know beforehand which egg or which gene would come and create the one who would become Jeremiah. But God knew when the conception took place; He knew that Jeremiah was the one He wanted. That's quite interesting, indeed, when you understand that.

Verse "...and **before you came forth out of the womb** I consecrated you, *and* I ordained you a prophet to the nations" (v 5).

This reveals how young he was at that point:

Verse 6: Then I said, 'Alas, Lord GOD! Behold, I do not know how to speak; **for I am a youth.**'

Let's see something else that God has given to all human beings. We all have free moral agency. God gave it! *He wants us to choose*: independent free moral agency! Here's what He explained to Israel:

Deuteronomy 30:14: "But **the Word is very near you...**"

Moreso today than any other time in the history of the world. The Bible is available in so many different forms and can reach so many different people. It's a phenomenal thing! Just like we have this live steaming, there are also all these digital things that carry the Word of God in addition to books: the Bible, pamphlets, booklets, etc.

You can go online and find that there are a number of people who understand about the coming *mark of the beast*. But they don't understand about the coming of Christ.

It's very interesting looking back at the message I brought—*The Coming Emerging*

Church—about what's happening to the SDAs. The SDAs^[transcriber's correction] will appear to not accept the *emerging church!* Why? What's one of the doctrines they have with the Protestants? *The rapture!*

When the Tribulation starts they will all be raptured away! That's why they can't really preach a warning message, because there's nothing to warn about; 'we're all going to miss it'!

Think about how surprised they're going to be! It's like those in 1844 waiting to be taken up at Christ's returning. They had some people standing on tall rocks and stumps with their arms raised waiting to be taken. But the SDAs call that 'the great disappointment.' *Of course!* Here's what God gave to all of us:

Verse 14: "But **the Word is very near you** in your mouth and in your heart, so that you may do it."

Wherever the Bible goes, it's going to be in the language of those people. What is the common universal language today? *English!*

Verse 15: "Behold, I have set before you this day life and good, and death and evil."

We have to make choices. That's out there for every human being. If they don't have the Bible, and they follow that which is natural law—that God created—that will keep them in a relatively good state between them and God. ***Being called for salvation is something entirely different!***

Verse 16: "In that I command you this day to love the LORD your God..." *That's what God wants!*

- How is that amplified in Deut. 8, Matt. 22 and Mark 13?
- Love God How?
- Acknowledge Him and go on **your own** way?
- Think about Him when you're in trouble and call upon Him?

You're to love Him with all your heart, mind, soul and being!

Sidebar: Going back to the message *The Emerging Church*, what do they bring out? *A false love!* That's how they make it acceptable to people. But it's not just loving one another. Loving one another comes ***after loving God!***

"...to walk in His ways... [not in your ways] ...and to keep His commandments...[not reject them and throw them away] ...and His statutes and His judgments so that you may live and multiply.... (v 16).

God wants people to live and be blessed. He

will bless them in accordance of how they keep certain laws, even if He's not calling them. Rom. 2:14 verifies that. The Gentiles who do not have the Law when they do the things contained in the Law are a law unto themselves. But the laws that they can't discover are the first four commandments relating to God.

"...And the LORD your God shall bless you in the land where you go to possess it. But **if** your heart turn away so that you will not hear..." (vs 16-17).

That's what we have today, isn't it? 'Oh, don't bother me with those Bible things!' Well, it's only the word from God! Are you so great that you can't be bothered with it?

Where are the hearts of people today? *Today the hearts of millions and millions are right now on college football!* Shopping! Traveling! Steve told me last week about the Brits that have a stadium that seats 100,000; their football is soccer. They get all together and it's quite a moving thing. They're all there and all sing together. That to them is so thrilling and important.

- Do you think that their minds are on God?
- Wouldn't it be fantastic if they would sing the song: How Great Thou Art? *That would be a phenomena!*

But their hearts are far away from Him!

Verse 17: "But if your heart turn away **so that you will not hear** ...[that's what we have today] ...but shall be drawn away and worship other gods and serve them."

Isn't that what we have today? It doesn't have to necessarily have to be a statue of some god, it can be a thing, a person, a possession, car, home, idea, whatever; all of those things become gods.

All of the perversions we will get to, but they have perversion in their mind as their god, and they *think* they are right.

Here's what's going to happen. God will give them a space of time to repent. Looking at the scene today and what's going on, are we running out of that space of time really fast? *Could be!*

Verse 18: "I denounce to you this day that **you shall surely perish...**"

- Is that not happening today?
- How many are dying because of overdoses of fentanyl?
- How many people have been told not to take fentanyl?
- What do they do? *They take fentanyl!*

Now they put it in other drugs so that young teens

can get it. Their parents get up in the morning to go get their teens out of bed to go to school or whatever, and they're dead!

They (the authorities) have collected enough fentanyl to kill every American three or four times over! *Two grams kills you!* That's a pretty stiff penalty!

When a nation becomes so against God, God let's idiots run the country! God is going to see what the people are going to do. We're soon going to have an election. Let's see what they do! If they elect those people who believe in natural law, many of them believe in God and the Word of God, let's see what they can do.

But will they have enough power to really get to the heart and core and root of this sexual perversion that is pervasive and coming upon us now.

How sure is this? Remember that Jesus said,

Do not think that I've come to abolish the Law or the Prophets; I've not come to abolish but to fulfill! Until heaven and earth perish, not one jot or tittle shall perish from the Law!

Whenever God says something that is powerful He means it, and He brings in heaven and earth! Everyone can understand that!

Verse 19: "I call heaven and earth to record this day against you **that I have set before you life and death, blessing and cursing. Therefore, choose life**, so that both you and your seed may live, that you may love the LORD your God, *and* may obey His voice, and may cleave to Him...[notice all that's in this v 20; there's a lot there] ...for **He is your life and the length of your days...**" (vs 19-20).

What did the Apostle Paul tell all of the philosophers at Mars Hill in Athens?

The Unknown God you have this placard to, I'm going to tell you about Him! He's the one who made heaven and earth and all that there is and all human beings! All of us live, move and have our being in Him!

Everybody thinks that their independent free moral agency is without God! **NO!** Their free moral agency is to choose! Nobody is without God! The righteous or the wicked! The righteous for blessing and the wicked for condemnation. It works both ways! *But the world doesn't know that!*

Deuteronomy 31:26—*Moses speaking:* "Take this Book of the Law, and put it in the side of the Ark of the Covenant of the LORD your God, so that it may be there for a witness against you. For I know your rebellion...(vs 26-27).

Think about this: there they were in the presence of God for 40 years, but continued to rebel.

Verse 27: “For I know your rebellion and your stiff neck. Behold, while I am still alive with you today, you have been rebellious against the LORD. And how much more after my death?”

That’s was short-lived; through the rest of the life of Joshua and the elders! As soon as that generation passed, what did they do? *Went and worshipped Baal and Ashtoroth!*

Verse 28: “Gather to me all the elders of your tribes, and your officers, so that I may speak these words in their ears, and call heaven and earth to record against them, For I know that after my death you will become utterly corrupt, and turn aside from the way which I have commanded you. And evil will befall you in the latter days...” (vs 28-29).

- Are we in the latter days?
- Is prophecy for us today?
- Do we find evil everywhere?
- Do we find it difficult to find really good ‘good’?
- **YES!**

“...because you will do evil in the sight of the LORD to provoke Him to anger through the work of your hands” (v 29).

That means everything that you do! We’re getting close to this time with all the transgender stuff that’s going on, and all the drag queen things going on.

(break@43:06)

Deut. 29—we will see that this is what most people do today. What is it that the Protestants preach? You’ve heard how many times over and over again that you don’t need to worry about the Old Testament, it’s all for the Jews, or it’s all fulfilled.

Deuteronomy 29:19: “And it shall come to pass when he hears the words of this curse...”

Let’s understand that God has made it automatic! Automatic blessing and automatic curse. He doesn’t have to do anything, it’s like the law of gravity. It’s in operation continually.

“...that he shall bless himself in his heart, saying, ‘I shall have peace...’” (v 19).

Or in the case of drugs, ‘I can take it, I won’t get addicted.’ *The next thing they know, they’re addicted!*

“...though I walk in the stubbornness of my heart,’ to *the* sweeping away of the watered and the parched, then the LORD will not be willing to

forgive him, but the anger of the LORD and His jealousy shall smoke against that man, and all the curses that are written in this book shall lie upon him, and the LORD shall blot out his name from under heaven” (vs 19-20).

Those are pretty strong words! Let’s connect that with Isa. 1, and this is what we have, not only with America, but look at who is suffering the most right now. *America, Britain and Europe!* Especially Europe, because they’re not going to get any natural gas from Russia. They’re not going to get any oil from Saudi Arabia, guess what’s going to happen this winter when it freezes? *They expect at least 10,000 people to die from freezing to death!*

Isaiah 1:4: “Ah, sinful nation, a people burdened with iniquity...[burdened with sins] ...a seed of evildoers, children who deal corruptly! They have forsaken the LORD; they have provoked the Holy One of Israel to anger; they have gone away backward.”

That’s exactly where we are today! We’re sitting right at the edge of that.

Verse 5: “Why should you be stricken any more? You will revolt more and more; the whole head is sick, and the whole heart faint. From the sole of the foot even to the *top of the head there is* no soundness in it; *only* wounds and bruises and putrefying sores; they have not been closed, nor bound up, nor soothed with ointment. Your country *is* a desolation...[***it’s coming***] ...your cities *are* burned with fire.... [Didn’t we have that in the summer of 2020? *Many cities!*] ...Strangers devour your land right in your *very* presence, and *it is* wasted, as overthrown by strangers” (vs 5-7).

Is the curse being fulfilled to the full, that the stranger shall rise up very high above you? *Yes!* How many have come into America in the last two years? *Nearly six million!*

That’s going to upset everything economically! You wait and see!

Verse 7: “Strangers devour your land right in your *very* presence, and **it is wasted, as overthrown by strangers.**”

Who’s moving in to buy farmland? *China!* They just happened to buy that parcel right next to the top secret Air Force base. ‘Oh, but we want to have corn.’ Really??? I wonder what they’re going to put in the basement of the buildings that no one will know about.

Now I want to talk about some thing concerning sexuality first and then we will get to two articles.

Here’s what God says, but which is happening all the time today:

Deuteronomy 18:9: “When you come to the land, which the LORD your God gives you, you shall not learn to do according to the abominations of those nations.”

Some people say that this behavior is an abomination, but it’s not a sin. Abomination means *it’s a great sin!*

Verse 10: “There shall not be found among you anyone who makes his son or his daughter **to pass through the fire**... [you’ve seen on the news how people are walking through the coals of fire] ...or that **uses divination** ...[we have millions of witches today] ...or an **observer of times** ...[everybody is going to be observing Halloween and then Christmas] ...**or a fortuneteller, or a witch, or a charmer, or a consulter with familiar spirits**...” (vs 10-11).

A lot of these people are led by demons or are demon possessed, and are spreading everything of demonism into the mind of children and into the students that go to college.

They don’t learn anything anymore. They’re indoctrinated on how to be idiots so that they can be controlled.

“...**or a wizard, or one who seeks oracles from the dead**. For all that do these things *are an abomination to the LORD*. And because of these abominations, the LORD your God drives them... [the nations] ...out from before you. You shall be blameless before the LORD your God. For these nations whom you shall possess hearkened to observers of times and to diviners; but as for you, the LORD your God has not allowed you *to do so*” (vs 11-14). *Then it says that He will raise up Christ after that!*

Now, this goes right to the heart of the drag queen thing:

Deuteronomy 22:5: “Anything that pertains to a man shall not be worn by a woman, neither shall a man put a woman’s garment on. For all that do so *are* abominable to the LORD your God.” ***That’s acceptable today! Abominations!***

Article: **The Real Story Behind Drag Queen Story Hour: Aimed at children, the phenomenon is far more subversive than its defenders claim**. Christopher F. Rufo; Autumn 2022
The Social Order Education
{<https://www.city-journal.org/the-real-story-behind-drag-queen-story-hour>}

You’ve probably seen it on the news; they have things about the drag queens.

- How did they all of a sudden appear?
Because it was planned!

- Where was it planned? *In the dregs of San Francisco’s sex places!*

“The new scholarship on sexual behavior has given sex a history and created a constructivist alternative to” the view that sex is a natural and pre-political phenomenon,” Rubin wrote....

One of the writers

...“Underlying this body of work is an assumption that sexuality is constituted in society and history, not biologically ordained....

That is a stupid statement. Biologically ordained means it’s not genetic! ***But it is!*** So, we have satanists and evil people spreading their filth and swill, and their absolute abominable sexual practices, starting with youngsters.

‘Let’s have fun, let’s have drag queen hour! Libraries sponsor it, schools sponsor it. How did it come to that? *Because all of the teachers and all of those involved are involved in that kind of thing!* They don’t believe in God and they don’t believe in the natural laws of God

“...This does not mean the biological capacities are not prerequisites for human sexuality. It does mean that human sexuality is not comprehensible in purely biological terms.”

In other words, traditional conceptions of sex, regarding it as a natural behavior that reflects an unchanging order, are pure mythology, designed to rationalize and justify systems of oppression....

The law says you shall not, and God says you shall not, they’re oppressed! That’s what they say!

(picture of author is shown), who is big time queer from San Francisco. Who is responsible for all of this? *The Supreme Court of the United States!* They sanctioned homosexual marriage on equal rights.

[Judith Butler’s] *Gender Trouble*’s basic argument is that Western society has created a regime of “compulsory heterosexuality and phallogocentrism,” which has sought to enforce a singular, unitary notion of “sex” that crushes and obscures the true complexity and variation of biological sex, gender identity, sexual orientation, and human desire....

In other words, we want to do anything we want to, regardless of how perverse it is, because all of you ‘straights’ out there are oppressive! ***NO!*** They’re sins are oppressive!

...Butler argues that even the word “woman”...

Remember that the Supreme Court nominee questioned by the Senators: ‘Could you tell me what a woman is?’ She stumbled and said, ‘I’m not a biologist! I can’t answer the question.’

So, I wrote *What is the Definition of a Woman?* {<https://www.cbcbg.org/images/books/What-Is-the-Definition-of-a-Woman.pdf>} and put it up online! This article that I’m reading from I’m also going to post the whole thing online as well as the other one concerning pedophilia and the gender theory.

Butler argues that even the word “woman,” though it relates to a biological reality, is a social construction and cannot be defined with any stable meaning or categorization....

No, it is not! It is an absolute by God! Those who do research know that when they get bones in the past, as I mentioned, from thousands of years ago they can tell by DNA analysis whether it is a male or female. If that is not a singular identity of sex, even lasting thousands of years in the bones of people who have been long dead, that tells you that it is not a social construct; it is a creation of God. Very different, isn’t it?

...There is nothing essential about “man,” “woman,” or “sex”: they are all created and re-created through historically contingent human culture; or, as Butler puts it, they are all defined through their performance, which can change, shift, and adapt across time and space.

I won’t read anymore from this article, so I suggest you download it.

Article: **Dr. Money, Father of Gender Theories, Was a Pedophilia Apologist**
{<https://www.eviemagazine.com/post/dr-john-money-father-of-gender-theory-was-a-pedophilia-apologist>}

He’s a pedophilia apologist saying—and it’s what they’re trying to promote in the schools now.

Have you seen the reports of mothers and fathers coming to the school boards and reading the pornography that they have created and published as textbooks for the students?

I hope there are enough parents that do that and change the school boards, because if they don’t the hand of God is going to come down on us a lot harder than it’s been coming down on us.

These people who are operating in this would not be alive to do it if God were in charge.

That’s one thing in the Millennium that we are going to ensure will never take place.

This man who was born as a boy was raised as a girl disturbed at the sight of kids being encouraged to be transgenderized. Yet, today in Illinois there’s a law on the ballot that if they pass it, kids can have sex change operations without their parents even knowing it. The kids don’t have a clue that this will permanently change their lives. They are doing this to brainwash them and who pays for it? *The state!*

How did we get such laws? How did we get such representatives to design these laws and pass them, put them into practice and anyone who wants to stop their vial, evil satanic actions will be arrested! ***Talk about an upside down world!***

From article on Dr. Money: Yet if a young girl sees herself as a boy in the mirror, the proponents of gender politics have no issue with supporting her desire to surgically alter her body. Instead of waiting for their kids to reach adulthood before fundamentally altering their bodies,

Think about that! The law in Illinois: the castrate the boys, do hysterectomies on the girls and mastectomies—cutting off their breasts—without the parents permission. ***That is utter Sodom and Gomorrah!***

Dr. Money theorized that “gender is just a social construct”...

In other words, it is not inherently in the genes and chromosomes of individuals. Society just made it that way.

...and if the boy’s parents raised him as a girl, he would grow up and be a normal, mentally healthy girl.

Not possible!

...whereby all traditional sexual norms were toppled and replaced with the era of “free love.”

Then it talks about how

Academia’s Long History of Promoting Sexual Abuse under the Guise of Science

If there is any way you want to destroy people’s minds, children’s minds is get them immersed in sex. Sexualizing children is going to make them grow up to be dolts—not adults—but dolts!

- they won’t know a thing
- they won’t know how to live
- they won’t know how to think

They will have absolutely no knowledge of what is right or wrong with sex, and of course. the rest of

living, as well.

Let's look at why God said, 'They shall not live!' Look at what has happened! Look at what San Francisco had done to the whole nation where the free love and homosexuality—as well as in New York working simultaneously together—has made this nation a homosexual nation.

Then add onto all of that all of the drugs beginning with marijuana, then cocaine, amphetamines, heroin and fentanyl. All of that! Let's see what God said; this is about Sodom and Gomorrah, but let's analyze it a little bit, because there's more to it here than meets the eye.

After God could not find 10 righteous people in Sodom, and we will see that there were actually four cities involved: Sodom and Gomorrah and two other cities. Why the other two cities? *Because they were 'get along and go along' rather than standing for Truth!*

Here's God's promise to save Lot and his family:

Genesis 19:1: "And there came two angels to Sodom at evening. And Lot sat in the gate of Sodom. And Lot rose up to meet them when he saw them. And he bowed himself with his face toward the ground, and said, 'Behold now, my lords, please turn in to your servant's house and stay all night, and wash your feet, and you shall rise up early and go your way.' And they said, 'No, but we will stay in the street'" (vs 1-2).

When do homosexual activities really take place? *At night!*

Verse 3: "But he urgently pressed upon them, and they turned in to him and entered into his house. And he made them a feast, and baked unleavened bread, and they ate. But before they lay down, the men of the city, the men of Sodom, surrounded the house, both old and young, all the people from every quarter" (vs 3-4).

A riot by homosexuals against Lot! Isn't that what we have today, riots of all of these transgenders and drag queens. They want to normalize all of this indoctrinate children and sexualize them so they will grow up to be mental idiots!

Verse 5: "And they called to Lot, and said to him, 'Where are the men who came in to you this night? Bring them out to us, that we may know them.' ...[have sex with them] ...And Lot went out the door to them, and shut the door after him. And he said, 'I pray you, brethren, do not act so wickedly! Behold now, I have two daughters, which have not known a man. I pray you, let me bring them out to you...[Why did he offer his two daughters? *Because he knew they wouldn't take them!*] ...and

you do to them as you see fit. But do nothing to these men, for they have come under the shadow of my roof.'" (vs 5-8).

Verse 9: "And they said, 'Stand back!' And they said, 'This one came in to sojourn, and *must* he now play the judge? Now we will deal worse with you than with them.' And they pressed hard upon the man Lot, and came near to breaking down the door. But the men... [angels] ...put out their hands and pulled Lot into the house to them, and shut the door. And they smote the men that *were* at the door of the house with blindness, both small and great, so that they wearied themselves to find the door" (vs 9-11).

What did God do? *He destroyed all of Sodom and Gomorrah; burned them up!* What kind of judgment do you think is going to come upon us, because we're allowing them to do all of these things.

Stop and think about it, it all started in 2020 as soon as Biden was elected. But they knew he was going to be elected, so they had all the books on radical racism done, all the books ready on all the pornographic sex instruction for all the schools, all ages, already done, already printed, already out to all the school districts without anybody knowing. How did they do that? *I can't answer that question, but the did it!*

Look at the job that parents are going to have if they're going to have and luck at turning it back. Let's see what God says. Notice how much people miss if they don't read what they call *The Old Testament!* These laws are here for a purpose. These laws should be the laws that all the nations of the world follow. That won't happen until Christ returns.

Leviticus 18:1: "And the LORD spoke to Moses, saying..." *these are the words of God!* What did Jesus say about the words of God:

Man shall not live by bread alone, but by every word that proceeds out of the mouth of God.

Are these words out of the mouth of God or not? *Yes! And they're written down so that God doesn't have to speak them anymore! We can read them for ourselves!*

Verse 2: "Speak to the children of Israel and say to them, 'I am the LORD your God. As they do in the land of Egypt where you dwelt, you shall not do. And you shall not do as they do in the land of Canaan, where I am bringing you. Neither shall you walk in their ordinances. You shall do My judgments and keep My ordinances, and walk in them. I am the LORD your God. And you shall keep My statutes and My judgments, which if a man does, he shall live in them. I am the LORD'" (vs 2-5).

Then He gives a whole list of forbidden sexual activity, that all of these perverts... Remember that I made fun of the fact that there are so many perverted sexual notions that we may use up the whole alphabet. Well, it's coming close to it! What is 'zoophilia'? *Bestiality! Sex with animals!*

In Germany they're demanding the right to do so! What do you think they're going to do in America? *You can't discriminate against people, is that the law of the land?* It's a *false discrimination* and a *false freedom!*

Verse 6: "None of you shall approach to any who are near of kin to him to uncover *their* nakedness. I *am* the LORD."

That means to bring them into sexual activity! Then it lists all the relatives!

Verse 21: "And you shall not let any of your children pass through *the fire* to Molech, neither shall you profane the name of your God. I *am* the LORD. You shall not lie with mankind as with womankind. **It is an abomination to God**" (vs 21-22).

That means a gross sin, worthy of death! Remember, when the children of Israel went out to the priests of Moab and the Moabites to have a little feast with them, they ended up in a sexual orgy. One of the leaders brought one of the princesses of Moab right into the tent of Israel. What did Eleazar the priest do, which he was commended for? *He went into the tent with his spear and rammed the spear right through the man and woman to execute God's judgment against them!*

Those things need to be taught ***so that people can hear and fear!*** Things can come upon them. When I was growing up before I went into the Army, my dad told me:

When you get over to Korea don't go in and have sex with any of those women. I'll tell you why: You're going to pick up a disease that you will wish you never had.

One of the sailors on the merchant ship that he was on went in and he would do this every time that they would come over there to bring troops or supplies to Korea. The last trip over he had a disease and he went to take a shower and his penis fell off in his hand!

I know that's gross! It is gross, but what that did to me, that put the fear of God in me. I tell you! You don't know whose been into the women and how much they have spread it in there. Venereal disease comes from having too many sex partners. Venereal disease is widespread, **because people won't listen to God!**

Verse 23: "And you shall not lie with any animal to defile yourself with it.... [but that's what they're demanding today] ...And a woman shall not stand before an animal to lie down to it. It *is* a perversion."

What does God say about all of this? *Very similar to what my dad warned me about before I went to Korea!* It was a good thing that he did, because all of the soldiers were going back and forth to the 'moosamay' (sp ?) as they call them over there in Korea to have sex.

One of the men that came over and went back with me came down with gonorrhoea. Oh, you can go get a shot and get rid of it. But what happens when you're old?

Verse 24: "Do not defile yourselves in any of these things, for in all these the nations, which I cast out before you, are defiled. And the land is defiled...." (vs 24-25).

Listen carefully! What's going to happen to America unless there are some changes? So, if there's going to be a 'red-wave' of an election, the Republicans better start getting some law and order in this, and forbid transgenderism, forbid all of this drag queen stuff that they have.

Verse 25: "And the land is defiled. Therefore, I visit its wickedness against it, and the land itself vomits out those who live in it."

That's what's going to happen! Why do you think that all of these catastrophes are coming upon us now? Look at it all together:

- drought
- flood
- sickness
- disease
- unemployment
- homelessness
- all the sexual perversions
- all of the drugs

It's amazing that we're still standing!

We need to go to 1-Cor. 5 because this tells us exactly what God says concerning it, concerning eternal life and what He will except and what He won't accept.

1-Corinthians 6:9: "Don't you know that **the unrighteous shall not inherit the Kingdom of God?** Do not be deceived; **neither** fornicators, **nor** idolaters, **nor** adulterers, **nor** abusers of themselves as women..."

Guess who that's describing in the government today? *Pete Buttigieg!* *He's playing the wife!* Yet, he's one of the leading candidates for the upcoming Presidential election in 2024!

“...**nor** homosexuals, **nor** thieves, nor covetous, nor drunkards, **nor** revilers, **nor** extortioners, **shall inherit the Kingdom of God**” (vs 9-10).

This tells you how bad Corinth was when Paul came there. One of the most corrupt cities sexually in Greece.

Verse 11: “And such were some of you; but you were washed, you were sanctified, you were justified in the name of the Lord Jesus, and by the Spirit of our God.” *Then Paul reiterates it here!*

Verse 15: “**Don’t you know that your bodies are members of Christ?**... [because you have the Spirit of God] ...Shall I then take the members of Christ and make *them* members of a harlot? **MAY IT NEVER BE!**”

Look what we had with the top evangelist in Worldwide!

Verse 16: “WHAT! Don’t you know that he who is joined to a harlot is one body? For He says, ‘The two shall be one flesh.’ **But he who is joined to the Lord is one spirit.** Flee sexual immorality....” (vs 16-18).

You must get up and get away from it, before the temptation takes you down!

“...Every sin that a man... [or woman] ...may commit is outside the body, but the one who commits sexual immorality is sinning against his own body.” (v 18)—*because he is bringing all of that into his or her system!*

Verse 19: “WHAT! **Don’t you know that your body is a Temple of the Holy Spirit...**”

That’s what it’s for! That’s why our calling is so great! Living in this time with so much sexually immorality and alphabet perversion beyond connection, we’ve got to be strong in the Lord.

“...**which you have within you from God, and you are not your own?**” (v 10).

God owns us as His children! So, at the resurrection we will become His sons or daughters. We belong to Him and:

- not to our own devices
- not to our own passions
- not to our own perversions

Verse 20: “**For you were bought with a price. Therefore, glorify God in your body, and in your spirit, which are God’s.**”

What you’re going to see is this: **IF** there is not substantial change after the election, **THEN** it’s

going to continue to get worse. So, be prepared! It’s going to affect everything that there is!

As one person I talked to said, ‘I’m storing up six months food because of all of these disasters that are on the threshold ready to come and take us over.

- What’s going to happen if the reserve of diesel comes down so low that trucks and trains cannot move?
- How long do you think the grocery stores going to last with what’s ever in the grocery store if you can get passed the mob to get in and buy it?

Take the time now to get extra. Make sure that you do it. Don’t laugh at those who have survival food. You better get some if you want to survive.

We don’t know how long it’s going to last. Those things are there.

When I read about the ten mega-threats that are all looming, it’s kind of like on the horizon. Here you’re in this nice beautiful valley with mountains behind you and you look out there and see all these dark clouds gathering and rolling. Once in while one of them moves in and something happens. What’s going to happen when all the clouds move in and every evil is dumped out.

That’s what we’re looking to. It’s not going to happen overnight, but we better be ready and prepared. What’s going to happen after that? *They will come after us to take our lives, because we believe in God!*

Remember what Jesus said:

He who loves his life to save it on his own, shall lose it! But he who hates his life—all the sinfulness that is in human nature—***and is wanting God’s way, will save it!***

But we may lose our physical lives because of standing for God! ***Those are the choices set before us!***
